Garden State Detachment 1273
Department of New Jersey
~New Jersey's Member at Large Detachment~

Commandant:

Last year Garden State Detachment, Department of New Jersey began selling tee-shirts to its members with their boot camp platoon number and graduation year. These were a tremendous success and we extended it to the Department of New Jersey. To date we have sold over 450 shirts. Our supplier was only set up to do shirts that said Parris Island, but we keep getting requests to do San Diego so we thought we would try and expand. If you could possibly put the order form on your department web-site or however you get the word out I know there are many Marines that would like to have this shirt. These shirts are printed at the local Abilities shop, which is a local non-profit organization who employ challenged people.

The order form is also available on the Department of New Jersey web site which is njmcl.org

Please feel free to make as many copies as you wish.

If you have any questions, you can contact me at rdbnco@yahoo.com.

Garden State Detachment

Due to the platoon shirt program being so popular I have decided to continue it as an ongoing program for the next year. I will order shirts as I get enough for a minimum order so your shirt may take a while or not. I can also order long sleeve shirts but they will be an additional \$2.00 per shirt. If you want a long sleeve shirt, be sure to indicate that on the order. Pass this along to other Marines you know also....you can just Xerox copies of the order form.

The Garden State Detachment has available specially made T-shirts with your Parris Island or San Diego Platoon number and the year you graduated. We are offering these high quality T-shirts in red with gold lettering. T-shirts are available in sizes from Small to XXXL. To order yours, fill out the order form below and mail it today.

Program will end December 31, 2017.
